

Mr. Privia and Members of the Board:

At this time the elementary lunch room needs to replace 20 lunch room tables. This would make them safe and easier to handle than what is in the lunch room at this time. Maintenance has been having difficulty with pieces breaking, cutting their hands, and parts are getting worn.

School Outfitters - is the company we are wanting to buy them from. It provides the stool that would be suitable for our students, is a neutral color, and will sufficiently fill the room in the manner we need them too.

Please find attached the 3 bids for the 20 tables for the elementary lunch tables:

1.School Outfitters	\$44,741.65
2.Zoro	\$61,910.36
3.Worthington	\$65,875.62
