

April Maint. Report

Happenings:

- Mowing season has started it is spotty but we have been out and about (Really appreciating the zero turns)
- Spent quite a bit of time getting the throwing areas at the HS ready for meets. As well as getting the grounds ready for all spring activities
- Compiling bids for a K-6 Door and Lock Project
- Working through supply bids and finalized
- Working with Mrs. Bird on several different school safety items
- It has been an average past month with not much of significance to report.
