

Mrs. Bergman and Members of the Board

This year, we have benefitted financially because of the change in funding and universal free meals. Our fund designation requires us to reserve no more than three months' operating income and requires that the rest be reinvested in improving the School Lunch Program.

We have created a replacement scenario for several items in use in the kitchens that no longer work properly or have reached well beyond their anticipated usage. We would like our first purchase to be replacement convection ovens. There are currently two double stack ovens at the K-6, and two singles at the High School. Since the student population is almost evenly divided, we are opting to replace two single ovens in each building at this time. The ovens in the K-6 kitchen were put into service when the new Middle School was built, and the High School units in 2005.

Bids were received as follows:

Douglas Equipment Company, in the amount of \$8,001.98 per oven.

Central Restaurant Company in the amount of \$8,560.40 per oven and

KaTom (online) with a bid of 10,282.00 per oven.

Approval to purchase four Blodgett ovens at the total cost of 32,007.92 from Douglas Equipment is requested. Delivery to both sites is included in the bid costs.

Thank you for your consideration,

Traci DeBolt and Joyce Johansen, Food Service Co-Directors
