Year	3-Year Contract	3-Year Contract
	Student Fee	Free Student
2024-2027	400.00	400.00

Changes that could affect pricing:

- a. Should the prices of fuel rise above \$3.25 per gallon and continue in the future, the Student fee and Free/Reduced fee is subject to change. This change would be presented to CCSD schools for consideration and approval before implementation.
- b. The State of Iowa is *tentatively* planning on formulating a statewide driver education curriculum. This new curriculum would increase the classroom hours from 30 to 40 hours and add four hours of driving behind the wheel with a certified instructor for a total of 10 hours. This increase of 14 additional mandated hours would cause the cost of driver education to rise. If these changes take place, the Student fee and Free/Reduced fee are subject to change. This will be presented to CCSD schools for consideration and approval before implementation
- c. In the event that a student driver misses a scheduled drive time, the student will be charged \$40 for the missed drive time to compensate the instructor(s) of Street Smarts for their time
