

TREASURER

It is the responsibility of the board to appoint a treasurer. The board may appoint a treasurer from its employees, other than a position requiring a teaching certificate, or from the public. To finalize the appointment, the treasurer will take the oath of office during the meeting at which the individual was appointed or no later than ten days thereafter.

It is the responsibility of the treasurer to oversee the investment portfolio, to receive funds of the school district, to pay out the funds for expenses approved by the board, to maintain accurate accounting records for each fund, to report monthly regarding the investment portfolio and the status of each fund and to file required reports with the appropriate state agencies and other entities. It will also be the responsibility of the treasurer to work with the secretary to coordinate the financial records, the financial reports, the cash flow needs and the investment portfolio of the school district.

If the treasurer is unable or unwilling to carry out the duties required, it is the responsibility of the superintendent to carry out the duties of the treasurer.

The treasurer will give bond *or be covered by an insurance policy* in an amount set by the board. The cost of the bond *or insurance policy* will be paid by the school district.
