

July Maint. Report

Completed Items:

- All of the non cosmetic items on the administrators/teacher lists have been completed. With the exception of a couple small projects listed below.
- Construction is moving along the concrete has been demoed along with the windows on the east side of the HS building. I check in daily with the general superintendent about progress.
- Custodial staff is working on deep cleaning every room, cleaning carpets, waxing floors, ect.

Looking forward:

- Painting basketball and 4 square lines on K-6 playgrounds
- Getting mulch that has washed off the playground closer to first day of school
- Resigning both entrances at the K-6
- Working on the cosmetic items as we are working through the buildings cleaning
- HS gym floor resurface during dead week at the end of the month
- Power wash the north side of the K-6 building
