

## April Maintenance Report

### Happenings:

- Had new theatre lighting board installed and training provided to staff
- Various plumbing issues mostly related to drains at various locations unrelated to each other
- Installed new restroom partitions in HS boys RR in the academic wing
- Replaced a garbage disposal at the high school
- Fixed a window in the gym at central office and installed protective screens
- Replaced long jump boards at the track
- Spread and drag all rock for the parking lot at the high school that was in snow piles
- Trenched and poured curb around the shot put area at the High School
- Sprayed first round of chemical for lawns at the High School and Central Office
- Completed annual supply order pricing
- Obtained quote for carpet for rooms being demoed at the High School as well as Rm. 121 that has tears and one room at central office.

### Looking forward:

- Apply chemical at the K-6 lawn
- Bring rock back into and drag parking lots at the K-6
- Get mowing equipment serviced up and ready for the season
- Build small retaining wall on visitor side of Athletic Complex
- Prune up some small trees throughout the district
