St. Louis Baseball Trip

What a great experience for our student-athletes and fans; it was a memory they will never forget. We had over 400 people travel to the game. Thank you to everyone who attended and showed support!

Sports You

All Sports and Activities are moving to Sports You to communicate with Players and Parents. This allows everyone to be on one app. (Bound Messages will still be sent for AD-to-parent communication.)

Updates

Looking to update our record boards/banners in the gym. The new Hawkeye 10 Gym graphic will be up soon!
