

EMERGENCY PLANS AND DRILLS

Students will be informed of the appropriate action to take in an emergency. Emergency drills for fire, weather, and other disasters are conducted each school year. ~~Fire and tornado drills are each conducted regularly during the academic school year with a minimum of two before December 31 and two after January 1.~~ **At least four fire drills and four tornado drills must be conducted each school year. Two drills of each type must be conducted between July 1 and December 31 and two drills of each type must be conducted between January 1 and June 30.**

Each attendance center will develop and maintain a written plan containing emergency and disaster procedures. The plan will be communicated to and reviewed with employees. Employees will participate in emergency drills during the academic school year with a minimum of two before December 31 and two after January 1. Licensed employees are responsible for instructing the proper techniques to be followed in the drill.
