Activity Requesting Fundraiser: Cross Country

Coach/Advisors Name: Jane Mayer

What are you fundraising for: We are fundraising for expenses, such as cross country camps and healthy snacks.

What would you like to do as your fundraiser: (Please list all ideas)

Clarinda Cross Country **cleans two buildings**, Wilbolm Hall, and the Cow Palace **after the annual Clarinda Craft Carnival**. The team has completed this project for several years. The Clarinda Chamber of Commerce donates **\$200** to our team for cleaning the buildings.

Last Summer, the Clarinda Cross Country Team had an opportunity to participate in Clarinda's **City-Wide Garage Sale**. Members of the team donated unwanted clothes and household items. The athletes helped pick up, organize, and sell items at the sale. As a result, the team earned **\$850 in sales and \$100 in donations**. All proceeds went toward paying for our day camp in Shenandoah. We plan to take part in the city-wide garage sale again this year.

If the team is in a situation where we need to earn money again, we will hold a **bake sale**. The team can bake and sell the items. It is important to me that the students work for the money that we receive through fundraising.

Please return from to Mr. Bales to submit to the School Board.

Activity Requesting Fundraiser: Baseball

Coach/Advisors Name: Rod Eberly

What are you fundraising for: We have a large need for newer equipment like T's, hitting mats, and new helmets. Our fundraiser will also go to field maintenance and possible new dirt for the infield for example. Last year with some of our fundraising money we were able to help with getting brand new sod for the whole infield.

What would you like to do as your fundraiser: (Please list all ideas)

We have done a texting fundraiser the past few years that has worked really well for us. This allows the students to text family and friends about what the fundraiser is about and where the money will be used. It allows us to stay away from business in town and all the money donated comes from family and friends of baseball players.

Please return from to Mr. Bales to submit to the School Board.
