Mr. Privia and Members of the Board,

Your approval is requested to adjust meal prices for the 2026-2027 school year by ten cents per breakfast and lunch. The State sets the adult lunch price. The price increase is necessary to offset expected increases in food costs for this upcoming year.

The pricing structure would be as follows:

Breakfast

K-12 \$1.70

Adult \$2.35

Lunch

K-6 \$3.10

7-12 \$3.25

Adult \$5.15 (State required)

Your approval is also requested to approve the milk prices, which will not increase from last school year.

Breakfast

K-12 \$0.60

Adult \$0.60

Extra Milk \$0.60

Lunch

K-12 \$0.60

Adult \$0.60

Extra Milk \$0.60

Thank you for your consideration,

Michael McKinnon
