To whom it may concern,

I am submitting a bid for a RTVX2C-PKLH-1 (Diesel Side x Side), for \$23,700.00.

To use the snowplow that you currently have on this unit, Quick Hitch V5289, Aux Hyd Pump V5272, and Hyd Valve Kit V5232A, would all need to be purchased at a cost of \$5,520.00.

Sincerely,

A handwritten signature in black ink that reads "Jeff Clark". The signature is written on a light-colored, slightly textured background.
