Activities

Band Activities Report:

Band/Choir

- Band had two students selected to the Iowa All State Band and will be performing on Saturday November 22nd in Ames, Iowa (Olivia Fleming and Kaylee Ridge)

FFA

- The Brokaw FFA Soils Judging team recently competed at the Iowa FFA State Soils Evaluation event at Iowa State University in Ames, Iowa on Thursday, October 9. Our team placed 1st out of 30 teams from around the state that advanced to the state competition from their district contests. Members competing were Alayna Shepherd, Haidyn Garrett, Elaina Hesse, and Noah Wellhausen. Owen Wright was an alternate to the team. Elaina Hesse placed 2nd overall and Noah Wellhausen placed 8th out of 117 contestants. The Brokaw team was the high scoring test team for the event as well. The 1st place finish qualifies the team to compete at the National Land and Range Judging Competition near Oklahoma City, Oklahoma this spring. This marks the sixteenth time in the last twenty-three years that a soils team from Clarinda has qualified for the national competition, the 9th time a Brokaw team has placed either 1st or 2nd at the state level, and the 4th time a Brokaw team has won the state competition.

NHS

- The NHS Induction ceremony, October 27th, was a great success. We inducted 17 new members. Our current members represented the spirit of NHS with their eloquent speaking. Chad and Allie Wellhausen sparked the students with humor and sincere advice for their future.

Fall Production

- Joy and the students had a great showing this weekend! They have put in a lot of work over the past couple of months!
