

Summer 2025 Maintenance report

There are many things on going currently and still to do for the summer as we are coming to an end of the major projects. Here is a list of some of the things that have been going on to this point in the summer as of 8/11.

- HS and K6 Gym floor resurface
- Outlet in Emma's room for the switch and door locks
- Outlets outside library and 433 at K-6
- Clean dryer vents at HS and K-6
- Window screens for 412
- Staff bathroom has drip
- Inspect playground equipment
- Carpet 102-104 and 121 at HS
- Paint 102-104 at HS
- Girls bathroom sinks
- Look into tack strips for hall at K-6
- Clean cooling tower
- Carpet K-6 entry
- Johnson's picture frame holders
- Install Door Numbers on both buildings HS coming soon
- Privia solar system
- Locker key for HS
- White board and bulletin board swap Room 220 K6 K. Johnson
- Wash HS Freezer condenser
- Paint 121 and 126 K6
- Wash HS RTUs
- Rock at HS addition
- Pour concrete for drain near new addition
- See about trees and stumps removal
- Extend sidewalk at K6 on east side
- Power wash north side of High School
- Install storage for athletic equipment in 2 rooms
- Outlet covers for HS milk coolers
- Paint 469 Alemliens
- Install cameras in new addition
- Install and assemble 5th grade furniture and swap some furniture around at K6
- Reinstall all HS classroom furniture, move Ag classes inside, unhook mobile classroom for removal.
- Install smartboards in new addition
- Coordinate furniture install in new addition

This is not necessarily an all inclusive list, just my list of notes for the summer. I am sure there are things that I am missing that we have completed that are not on this list as well as some items still to complete.
