

## **7-12 Principal Board Report January 2022**

1. We have a strong start to the second semester of the 2021-2022 school year. Students and staff came back refreshed and ready to work.
2. Computer Science Curriculum Script Workshop 12/9/21 (Part of Future Ready Iowa)
  - a. Science, Math, Instructional Coaches, and building administrators attended this workshop discussing the computer science curriculum and implementation for the Fall 2022 school year in both the PK-6 and 7-12 buildings.
  - b. Continual information will be given throughout the semester.
3. 7-12 Building Spacing Update:
  - a. This semester we were able to utilize our space more effectively
  - b. No classes will be in the drama stage area for regular classes this semester
  - c. We are working with IWCC on using their campus for some of our Science labs and Dual Credit classes this semester.
4. 7-12 Student Committee Meeting Updates
  - a. We have developed a Dress Code Committee to meet and discuss current realities of appropriate clothing for the school day for our student body. We looked at current board policies and handbooks. Also to gain valuable feedback and input on how we can support students, and parents/caregivers with society's clothing options and trends.
    - i. Update - At our last meeting, we discussed examples of other school district dress codes compared to our current dress code in the student handbook.
    - ii. We have a meeting this Thursday for continued discussion on proposing changes to the student handbook regarding appropriate dress during the school day.
  - b. JH Proposed Student Council
    - i. A meeting is scheduled between a group of JH leaders and myself regarding implementation of a JH Student Council this week.
    - ii. We will have continued meetings throughout the semester regarding a constitution, by-laws, etc.
  - c. REST Team Meeting scheduled this week as well as a follow up for providing resources and spaces for mental-illness awareness
    - i. Created a space between the science rooms in the Southwest side of the High School building.
5. Other items:
  - a. We will be working on the 2022-2023 7-12 Master Schedule
    - i. Our goal is to have students scheduled and have a master schedule prepared and provided to students and staff before the end of the school year.
  - b. Professional Development Day 1/17/22 at the 7-12 building
  - c. CHS/IWCC Parent/Student night for prospective students schedule for Feb 16, 2022 .
