## Hybrid Cloud Security Solution

## Security Cameras

### DOME SERIES

Built for durability, Verkada's Dome Series delivers enterprise-grade security in a wide range of options for any indoor or outdoor environment. Each dome features a discreet vandal-proof design, simple installation, and 8x more processing power than the previous generation.

### MINI SERIES

Designed for flexibility without compromising on image quality, Verkada's Mini Series delivers enterprise-grade security with powerful performance for advanced edge-based analytics. With minimal form factors, Verkada mini cameras are perfect for high-traffic indoor environments.

### FISHEYE SERIES

Verkada's fisheye captures footage in a dynamic panoramic 180°, with options for wide-viewing angles or breaking down any area into quadrants. Capable of being mounted inside or outside, this camera is suitable for any number of surveillance needs.

### BULLET SERIES

Verkada's Bullet Series delivers enterprise-grade security with leading edge-based processing and onboard storage in a new, bold form factor. Built to withstand the toughest environments, the Bullet Series features a sealed aluminum housing, ensuring cameras stay protected with an IK10 and IP67 rating.

### Industry-Leading Warranty

Verkada offers a 10-year product warranty included with the purchase of your Verkada system.
