Re: 5yr IPI

Justin

Continental is pleased to provide you with this proposal for the fire protection system at your above noted facility. Scope of work and exclusions are as follows:

Scope of Work:

Perform a five year internal pipe inspection on your fire sprinkler systems in accordance with NFPA 25. This includes an internal pipe inspection, physically inspecting the valves and changing all gauges. Upon completion we will submit paperwork with our findings and advise you of any recommendations.

Exclusions:

Base Bid:

The total amount for the above noted work is: **\$825.00**

This proposal includes all labor, fringes, material and required permits for completion of the above noted work. This proposal is based upon work being performed during normal working hours of 8:00 AM through 4:30 PM, unless noted above. No overtime is included, unless noted above.

In order for Continental to schedule this work to be performed in your facility, please sign acknowledging acceptance on the space provided below and return a copy to this office. Please forward your purchase order and / or contract referencing this proposal as soon as possible.

We appreciate the opportunity to provide you with this quote. Please contact me with any questions you may have.

Sincerely,

JOE GREEN
Continental Fire Sprinkler Company
