Subject: National Land & Range Judging Competition

The Brokaw FFA Soils Evaluation team competed in the Iowa FFA State Soils Evaluation CDE in October of 2022. The team placed first overall in the state, qualifying the team to compete in the National Land & Range Judging competition in Oklahoma City, OK, on Thursday, May 4. Our group plans to leave on Tuesday, May 2 at 8:00 am. On Wednesday, May 3, our group will practice for the competition at two separate practice sites for the contest. We also plan to visit the Oklahoma City Memorial Site and Museum along with the National Cowboy Hall of Fame and Museum. On Thursday, the group will compete in the competition, then attend the awards banquet that evening. We plan to return home on Friday, May 5, getting home around 4:00 pm. The group that will be attending includes: Grant Barr, Dalton Wright, Quinn Durfey, Cale Clark, Allyson Johnson, and Noah Comer along with advisors Andy Johnson and Emma Cutler. We are requesting permission to attend this event. Thank you.
