

May 19th, 2023

Mr. Privia and Members of the Board

Approval of the board is requested to award the following Food Service bids for the 2023-24 School Year

Food and Ware Wash Chemical Bid – Award to AEA /Martin Brothers

Martin Bros. our current vendor, has again been awarded the AEA Purchasing Coop bid. The AEA group opens the bid to multiple vendors and awards based on lowest price and other criteria. The bid requires that we purchase at least 60% of our products through the Coop.

Dairy Products - Award to A&E

AE our current vendor for milk has been awarded the bid again. The bid is awarded on an escalation basis, adjusting monthly for market variations. Overall AE was cheaper on our highest item students take every day.

Small Equipment/Wares – Award to Rapids Wholesale

Rapids has been awarded as part of the AEA Purchasing Bid.

Bakery and Bread Products – Award to

We are awarding our bid to Pan O Gold. Our largest purchase every year is buns and they are eight cents cheaper. Pan O Gold will deliver to both buildings unlike Bimbo Bakeries USA. This would save us gas money and time by delivering to both buildings.

A bid comparison for bakery and milk pricing is attached. Thank you for your consideration.

Julia Harris
Food Service Director
