

July 14, 2022,

Mr. Privia and Members of the Board

Approval of the board is requested to award the following Food Service bids for the 2022-23 School Year

Food and Ware Wash Chemical Bid – Award to AEA /Martin Brothers

Martin Bros. our current vendor, has again been awarded the AEA Purchasing Coop bid. The AEA group opens the bid to multiple vendors and awards based on lowest price and other criteria.

Dairy Products - Award to A&E

Bid is awarded on an fixed basis, adjusting monthly for market variations. A&E was the lower bid on all products and is the winning bidder. Hiland was not able to give us a bid due to their current route structure.

I would like to raise the milk price per carton this year to .40 cents.

Small Equipment/Wares – Award to Rapids Wholesale

Rapids has been awarded as part of the AEA Purchasing Bid.

Bakery and Bread Products – Award to Pan O'Gold

Pan O'Gold was lower across all bread categories and was the winning bidder of bakery and bread products.

A bid comparison for bakery and milk pricing is attached. Thank you for your consideration.
