

June Maint. Report

Current:

- Completed sealing and waxing floor in Athletic hall
- Completed deep clean and paint in boys and girls locker rooms and refinished the benches in both
- Paint in athletic hall
- Clean and paint dish room at the high school
- Working on several areas of touch up paint
- Started yesterday on the K-6 punch list most of which is completed as of this evening
- Summer Mowing
- Weekly Construction meetings

Future:

- Work on punch list items for both buildings projected to be mostly completed by 4th of July break if all goes well.
- Complete some small land scaping at the athletic complex to control minor erosion
- Work with construction contractors off and on with coordinating the logistics that involve us on keeping the project on track
