# The SOCS Advantage

SOCS websites and mobile apps offer industry-leading features and support to help you connect with your community.

Accessibility

All SOCS themes have been tested to comply with all accessibility standards ensuring your site can be experienced by the widest possible audience.

An accessibility checker is built into the CMS for easy page/article compliance testing. We also provide ongoing user training and quick response if you need accessibility support.

Mobile Apps

SOCS GO App

Update your website from your smartphone or tablet with the free, user-friendly SOCS GO app. Post articles with images, links and formatted text. Send new articles and special alerts via push notifications, text, email and social media.

Branded User App

Share webiste content, notifications and more on your own branded smartphine app. Free download available for iPhone and Android.

Calendar

Calendar Highlights

Display your events in a variety of formats on your homepage or other sections. Create multiple iCal-compliant calendars that allow filtering and subscriptions.

Stay in Touch

Your users can subscribe to calendars and receive automatic email reminders and event change notifications.

Social Media

Feature live feeds of your Facebook, Twitter and Instagram accounts on your homepage — including real-time Facebook interactions.

### ESSENTIAL SERVICES
filamentservices.org

Industry-Leading Support

Friendly and Knowledgeable Staff

Our in-house support staff can help you with any of your website development and maintenance needs. We want to help you create the high-quality website you deserve.

SOCS Insider

Get exclusive access to our support site filled with guides, videos and tips that will help you get the most out of your site.

Manage

Simple Content Management

Intuitive editing tools make posting articles, photos, videos, events and breaking news quick and painless. Make changes directly on the page with the article editor from your phone, tablet or computer.

Security

Secure Sites

All SOCS sites are hosted in a secure environment with regular backups and a current disaster recovery plan in place.

Dependable Service

SOCS meets the 99.999% standard of availability — meaning no unscheduled downtime for your website.

Regular Updates

SOCS sites and apps are regularly enhanced with new functionality and are tested for compatibility with all supported browsers.
Design

Our responsive websites look great on your desktop and adjust to fit any mobile device with full site capability for tablets and smartphones. Choose from a library of design styles and customize them for your organization.

Other Features

- Emergency Alerts
- Interactive Polls and Surveys
- Helpful Widget Integration
- Staff Pages
- Meeting/Volunteer Registration
- Custom Online Forms

The Fine Print

Affordable Pricing

SOCS websites are built with a nonprofit's budget and resources in mind. There is no better price for the depth of features and quality support in the industry.

Short-Term Agreements

Initial agreements are for three years; then converts to an annual automatic renewal.
