

What was the process used to develop the delivery system for eligible individuals?

The delivery system was developed in accordance with Iowa Administrative Code rule 41.208(2)c. The group of individuals who developed the system included parents of eligible individuals, special education teachers, general education teachers, administrators, and at least one representative of the AEA.

The Clarinda Community Schools Board of Education approved the committee membership (2022) to review the Special Education Service Delivery Plan for the Clarinda Community Schools.
