Bluum Company Profile

Tierney Brothers Inc. 1771 Energy Park drive, Suite 100, Saint Paul, MN 55108
FEIN: 41-1355993 D&B: 08-947-6097

For nearly 40 years, the companies comprising the Bluum brand have brought superior products and solutions to tens of millions of students, in hundreds of thousands of K-12 classrooms, as well as many higher education institutions, government entities, and commercial organizations, across the United States and Canada. With roughly 900 employees, focused on a mission of improving learning and making it more accessible, we pride ourselves on providing transformative learning experiences for our customer communities.

Established in 1977, Tierney Brothers has grown from a Kroy labeling products dealer to a leading provider of digital projectors and flat panel displays, systems integration, large format printers, graphic and engineering supplies, and audio and visual communication solutions. Our customers include Fortune 500 companies, government entities, educational institutions, nonprofit organizations, and small businesses. Our vision is to become the premier audiovisual and wide format provider in the Midwest. In April 2021, Trox acquired Tierney Brothers, LLC. and the introduction of "Trox + Tierney." In January 2022, the "Bluum" brand was launched, to permanently represent these companies.

The Bluum affiliate entities create one of the largest privately-held education technology solutions providers in the U.S. We fill customer needs by providing services associated with distributors, dealers, resellers and system integrators. Bluum's comprehensive portfolio contains over 1 million products and services, many provided by industry-leading and niche manufacturers. Bluum primarily serves the education market, ranging from public pre-schools to colleges and universities, to private and charter schools and organizations. Bluum is the only technology solutions provider with a clear focus on a higher calling to spark the next generation of learning. Our market leadership position and reputation have earned numerous awards and accolades from our customers, vendors, and industry.

Bluum is known for their innovative and proprietary sales programs, creating an unparalleled management information system that simplifies the customer's purchase process by providing a more accurate and positive user experience. As a result, Bluum's website allows customers to easily search for products, quickly generate quotes, and track orders. Bluum proves effective at using internal expertise to integrate a highly sophisticated computer system into a web format that allows customers, vendors and staff member's direct access to information concerning their orders, account status, and all related transactional information via www.bluum.com. The Bluum companies have a track record of profitability for over 30 consecutive years.

Through the ever-changing economic, technological, and societal landscapes, Bluum has helped its customers grow and thrive.
