Mr. Privia and Members of the Board

Your approval is requested to adjust the Adult meal prices, *required by the state*, for the 2023-24 School Year.

Otherwise, at this time our budget is financially sound and I do not want to add any cost increases to our families at this time. I am going to leave the other lunch prices where they were as of last year.

I will re-evaluate next year and see what increase needs to be made at that time.

The pricing structure would be as follows:

**Lunch**

|             |        |   |
|-------------|--------|---|
| K-8         | \$2.80 |   |
| High School | \$2.95 |   |
| Adult       | \$4.15 | - going to <b>\$4.85</b> ( required by the state) |

**Breakfast**

|      |        |          |
|------|--------|----------|
| K-12 | \$1.40 | Students |
|      | \$1.40 | Adults   |

Thank you for your time and consideration.
